

## SETUP GUIDE FOR HORIZONTAL LID UTILITY

- 1.) Open the top lid, remove and flip it.

- 2.) Engage the lift-off hinge from underneath and hold the lid in place.

- 3.) While holding it in place insert a bracket and push it all the way up until the holes align.
- 4.) Insert the ball locking pin. This locks the hinge.
- 5.) Repeat the same steps for the other bracket

6.) Lift the lid up a little and position the ends of the bracket inside the edge of the lid.
